 Defendants.)

The Universal Service Department of the Nebraska Public Service Commission (Commission), by and through its Director, Jeff Pursley, alleges that:

1. The defendants named in caption are telecommunications companies generally regulated by the Commission pursuant to Neb. Rev. Stat. Sections 75-101 et. seq. (1998 Cum. Supp.), 86-801 to 86-811 (Reissue 1994) and 86-1401 to 86-1410 (1998 Cum. Supp.). Defendants are also governed by Title 291, NAC Chapters 1 and 5 of the Commission's Rules and Regulations.

2. As part of its regulatory authority pursuant to the Nebraska Telecommunications Universal Service Fund Act, the Commission, on September 15, 1997, entered an order in Docket No. C-1628 to investigate the structure of intrastate access charges and to establish the Nebraska Universal Service Fund. All certificated interexchange and local exchange carriers were named as parties in that docket and were mailed a copy of said order.

3. On March 9, 1999, the Commission entered Progression Order No. 5 in Docket No. C-1628/NUSF that required all interexchange carriers to file toll plans on or before August 1, 1999. Such plans were to demonstrate that the access reductions filed by local exchange carriers will be passed-through to end users as required by Neb. Rev. Stat. section 75-609(3). All interexchange companies were mailed a copy of this order on March 11, 1999.

4. On August 11, 1999, a letter was sent to all interexchange carriers informing them that several companies had failed to comply with the requirements set forth in Progression Order No. 5 in Docket No. C-1628/NUSF. Companies that had not filed a plan or filed a plan that was not satisfactory to the Commission were put on notice that they would be subject to revocation proceedings on August 23, 1999.

5. Based on the failure of the defendants to file any access flow-through toll plan by August 1, 1999, and each defendant's disregard of all requests to do so, each defendant's certificate of authority should be revoked and each defendant should be ordered to cease and desist operations in Nebraska.

WHEREFORE, the complainant prays that this Commission order the defendants to show cause why the Commission should not (1) revoke defendants' Certificates of Public Convenience and Necessity to operate as an interexchange telecommunications carrier pursuant to Neb. Rev. Stat. section 75-133, and (2) order the defendants to cease and desist from offering telecommunications services in Nebraska pursuant to Neb. Rev. Stat. section 75-133.

Dated this 24th day of August, 1999.
